MANY THINK!

when the Creator said to woman, "In sorrow shalt thou bring forth children," that a curse was pronounced against the human race, but the joy felt by every Mother when she first presses to her heart her babe, proves the contrary.

Danger and suffering lurk in the pathway of the Expectant Mother, and should be avoided, that she may reach the hour when the hope of her heart is to be realized, in full vigor and strength.

MOTHER'S FRIEND

so relaxes the system and assists Nature, that the necessary change takes place without Nausea, Headache, Nervous or Groaning, reboding of danger, and the trying hour is robbed of its pain and suffering, as so many happy mothers have experienced. Nothing but "Mother's Friend" does this. Don't be deceived or persuaded to use anything else.

"Mother's Friend" is the greatest remedy ever put on the market, and all our customers praise it highly.—W. H. Kise & Co., Whitewater, Tex.

Dr. Miles' Heart Cure

Cures a Prominent Attorney.

M. R. C. PHELPS, the leading pension attorney of Belfast, N. Y., writes: "I was discharged from the army on account of ill health, and suffered from heart trouble ever since. I frequently had fainting and smothering spells. My form was bent as a man of 60. I constantly wore an overcoat, even in summer, for fear of taking cold. I could not attend to my business. My rest was broken by severe pains about the heart and left shoulder. Three years ago I commenced using Dr. Miles' Heart Cure, notwithstanding I had used so much patent medicine and taken drugs from doctors for years without being helped. Dr. Miles' Heart Cure restored me to health. It is truly a wonderful medicine and it affords me much pleasure to recommend this remedy to everyone."

Dr. Miles' Remedies are sold by all druggists under a positive guarantee, first bottle benefits or money refunded. Book on diseases of the heart and nerves free. Address, DR. MILES MEDICAL CO., Elkhart, Ind.
